

As the holiday season is upon us, and another year closes, all of us at the Parma Animal Shelter reflect on the success of our mission: to reunite lost pets with their owners and give shelter animals like Tina a second chance at finding a forever home. Here's her story:

Tina, a Satos (slang for feral dog), was rescued by the niece of Parma's ACO from Dead Dog Beach, a horrific area in Puerto Rico where unwanted, unloved dogs fight to stay alive. She was flown all the way to Parma, Ohio and brought to the Parma Animal Shelter where it was discovered her body was ravaged with heartworm disease as well as a pelvic injury. But that didn't break her spirit. Tina loves people and

got excited whenever visitors came into the shelter; PAS volunteers gave her lots of one-on-one attention and care. Nine months later, thanks to donors like you, she made a full recovery and was adopted into a loving forever home.

Please give a shelter animal, a second chance at a forever home by donating to the Parma Animal Shelter this holiday season. See the back of this card to see how you can help.

All of us at the Parma Animal Shelter Wish You and Yours a Peaceful and Joyous Holiday Season and a New Year filled with Health and Happiness.
